Pastor Bob,

It is no simple thing when you begin calling women witches. I am sure that you do not realize that is what you are doing. Please read the letter to Dr. Ronnie Floyd, president of the Southern Baptist Convention, dated October 26, 2015. You are the pastor mentioned in the letter as I found your sermon on the internet.

This is a dangerous teaching. Thousands of women were burned at the stake because they were called witches. They believed that witches consorted with the devil, just as you say in your sermon. They believed that women were weak by nature and more susceptible to the whisperings of the devil, just as you do.

Thank God it is illegal to burn witches at the stake. Too bad it is not illegal to label Christian women as witches.

I have sent you my book "Dethroning Male Headship: Second Edition." I encourage you to read it for the sake of the Gospel and for the women in your church.

I know you believe you are right with all your heart. But, Pastor Bob, what if you are not?

Sincerely,
